

We are very excited to announce that following the recent upgrade of AJACS many more of your court's probationers can now make cash payments at popular retail locations like CVS, 7-11, and Family Dollar through the **PayNearMe** service. The upgrade enables nearly all post-disposition cases, including cases involving probation, to use the popular **PayNearMe** service. Previously, only cases that were referred to FARE were eligible.

PayNearMe allows customers a secure and convenient option for paying probation fees and other case financial obligations without visiting the court. The service is available at over 27,000 retail locations nationwide. Customers simply need to obtain a barcode after finding their case on www.azcourtpay.com and following the "PAY with CASH" instructions.

**Pay your court obligation with cash at 7-Eleven,
CVS Pharmacy, and more**

HOW IT WORKS

1. Locate the barcode on your notice or get your code by visiting www.azcourtpay.com.
2. Show your barcode at any participating store and ask the cashier to make a cash payment. A \$2.99 fee applies. Before you go, know your balance due and how much you want to pay. The cashier will not have access to this information.
3. Keep your receipt. The court is notified automatically, and payment posts within 15 minutes.
